 - (c) where they are manufactured products, be free from defects in design, material and workmanship and remain so for 12 months after delivery; and
 - (d) comply with all applicable statutory and regulatory requirements relating to the manufacture, labelling, packaging, storage, handling and delivery of the Goods.

 - 3.4 If following such inspection or testing Metalcraft considers that the Goods do not conform or are unlikely to comply with the Supplier's undertakings at Clause 3.1, Metalcraft shall inform the Supplier and the Supplier shall immediately take such remedial action as is necessary to ensure compliance.
 - 3.5 Metalcraft may conduct further inspections and tests after the Supplier has carried out its remedial actions.
4. Delivery

 - (a) the Goods are properly packed and secured in such manner as to enable them to reach their destination in good condition;

 - 4.5 The Supplier shall not deliver the Goods in instalments without Metalcraft's prior written consent. Where it is agreed that the Goods are to be delivered by instalments, they may be invoiced and paid for separately. 5. Metalcraft's remedies
 - 5.1 If the Goods are not delivered on the Delivery Date, or do not comply with the undertakings set out in clause 3.1, then, without limiting any of its other rights or remedies, and whether or not it has accepted the Goods, Metalcraft may exercise any one or more of the following rights and remedies:

If Metalcraft exercises its rights under this Clause 5.2, it shall not be entitled to any of the remedies set out in Clause 5.1 in respect of the Goods' late delivery (but such remedies shall be available in respect of the Goods' condition).

- (a) any claim made against Metalcraft for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the manufacture, supply or use of the Goods, to the extent that the claim is attributable to the acts or omissions of the Supplier, its employees, agents or subcontractors;
 - (b) any claim made against Metalcraft by a third party for death, personal injury or damage to property arising out of or in connection with defects in Goods, to the extent that the defects in the Goods are attributable to the acts or omissions of the Supplier, its employees, agents or subcontractors; and
 - (c) any claim made against Metalcraft by a third party arising out of or in connection with the supply of the Goods, to the extent that such claim arises out of the breach, negligent performance or failure or delay in performance of the Contract by the Supplier, its employees, agents or subcontractors.

10. Insurance
- During the term of the Contract and for a period of three years thereafter, the Supplier shall maintain in force, with a reputable insurance company, professional indemnity insurance, product liability insurance (minimum level of cover: £5 million) and public liability insurance (minimum level of cover: £5 million) to cover the liabilities that may arise under or in connection with the Contract, and shall, on Metalcraft's request, produce both the insurance certificate giving details of cover and the receipt for the current year's premium in respect of each insurance.

- 13.3 On termination or expiry of the Contract, the Supplier shall immediately return all Metalcraft Materials. If the Supplier fails to do so, then Metalcraft may enter the Supplier's premises and take possession of them. Until they have been returned or delivered, the Supplier shall be solely responsible for their safe keeping and will not use them for any purpose not connected with the Contract.
- 13.4 Termination or expiry of the Contract, however arising, shall not affect any of the parties' rights and remedies that have accrued as at termination or expiry, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination or expiry.

14. Force majeure
- 14.4 If the Force Majeure Event prevents, hinders or delays the Affected Party's performance of its obligations for a continuous period of more than 2 weeks, the party not affected by the Force Majeure Event may terminate the Contract by giving 1 week's written notice to the Affected Party.

No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.
- 15.6 Severance. If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of this agreement.
