 - (d) the other party's financial position deteriorates so far as to reasonably justify the opinion that its ability to give effect to the terms of the Contract is in jeopardy.
- 14.2 Without affecting any other right or remedy available to it, Metalcraft may terminate the Contract with immediate effect by giving written notice to the Customer if:
- (a) the Customer fails to pay any amount due under the Contract on the due date for payment; or
 - (b) there is a change of Control of the Customer.
- 14.3 Without affecting any other right or remedy available to it, Metalcraft may suspend the supply of Services or all further deliveries of Goods under the Contract or any other contract between the Customer and Metalcraft if the Customer fails to pay any amount due under the Contract on the due date for payment, the Customer becomes subject to any of the events listed in clause 14.1(b) to clause 14.1(d), or Metalcraft reasonably believes that the Customer is about to become subject to any of them.
15. Consequences of termination
- 15.1 On termination of the Contract:
- (a) the Customer shall immediately pay to Metalcraft all of Metalcraft's outstanding unpaid invoices and interest and, in respect of Services and Goods supplied but for which no invoice has been submitted, Metalcraft shall submit an invoice, which shall be payable by the Customer immediately on receipt;
 - (b) the Customer shall return all of Metalcraft Materials and any Deliverables or Goods which have not been fully paid for. If the Customer fails to do so, then Metalcraft may enter the Customer's premises or facilities and take possession of them. Until they have been returned, the Customer shall be solely responsible for their safe keeping and will not use them for any purpose not connected with this Contract.
- 15.2 Termination of the Contract shall not affect any rights, remedies, obligations and liabilities of the parties that have accrued up to the date of termination, including the right to claim damages in respect of any breach of the Contract which existed at or before the date of termination.
- 15.3 Any provision of the Contract that expressly or by implication is intended to have effect after termination shall continue in full force and effect.
16. Force majeure
- 16.1 Provided it has complied with clause 16.3, if a party is prevented, hindered or delayed in or from performing any of its obligations under the Contract by a Force Majeure Event (Affected Party), the Affected Party shall not be in breach of the Contract or otherwise liable for any such failure or delay in the performance of such obligations. The time for performance of such obligations shall be extended accordingly.
- 16.2 The corresponding obligations of the other party will be suspended, and its time for performance of such obligations extended, to the same extent as those of the Affected Party.
- 16.3 The Affected Party shall:
- (a) as soon as reasonably practicable after the start of the Force Majeure Event, but no later than 7 days from its start, notify the other party in writing of the Force Majeure Event, the date on which it started, its likely or potential duration, and the effect of the Force Majeure Event on its ability to perform any of its obligations under the Contract; and
 - (b) use all reasonable endeavours to mitigate the effect of the Force Majeure Event on the performance of its obligations.
- 16.4 If the Force Majeure Event prevents, hinders or delays the Affected Party's performance of its obligations for a continuous period of more than 2 weeks, the party not affected by the Force Majeure Event may terminate the Contract by giving 1 week's written notice to the Affected Party.

Metalcraft (Tottenham) Ltd Terms and Conditions for the Supply of Goods and Services

17. General

17.2

Notices.

- (b) Any notice or communication shall be deemed to have been received:
- (a) if delivered by hand, on signature of a delivery receipt or at the time the notice is left at the proper address; and
 - (b) if sent by pre-paid first-class post or other next working day delivery service, at 9.00 am on the second Business Day after posting or at the time recorded by the delivery service; and
 - (c) if sent by fax or email, at the time of transmission, or, if this time falls outside business hours in the place of receipt, when business hours resume. In this clause 17.2(b)(iii), business hours means 9.00am to 5.00pm Monday to Friday on a day that is not a public holiday in the place of receipt.
- (c) This clause does not apply to the service of any proceedings or other documents in any legal action or, where applicable, any arbitration or other method of dispute resolution.

17.3

Severance. If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed deleted, but that shall not affect the validity and enforceability of the rest of the Contract. If any provision or part provision of the Contract is deemed deleted under this clause 17.3 the parties shall negotiate in good faith to agree a replacement provision that, to the greatest extent possible, achieves the commercial result of the original provision.

17.4

Waiver. A waiver of any right or remedy under the Contract or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent right or remedy. A failure or delay by a party to exercise any right or remedy provided under the Contract or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under the Contract or by law shall prevent or restrict the further exercise of that or any other right or remedy.

17.5

No partnership or agency. Nothing in the Contract is intended to, or shall be deemed to, establish any partnership or joint venture between the parties, constitute either party the agent of the other, or authorise either party to make or enter into any commitments for or on behalf of the other party.

17.6

Entire agreement.

- (a) The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.
- (b) Each party acknowledges that in entering into the Contract it does not rely on, and shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the Contract. Each party agrees that it shall have no claim for innocent or negligent misrepresentation [or negligent misrepresentation] based on any statement in the Contract.
- (c) Nothing in this clause shall limit or exclude any liability for fraud.

17.7

Third party rights.

- (a) Unless it expressly states otherwise, the Contract does not give rise to any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of the Contract.
- (b) The rights of the parties to rescind or vary the Contract are not subject to the consent of any other person.

17.8

Variation. Except as set out in these Conditions, no variation of the Contract shall be effective unless it is agreed in writing and signed by the parties (or their authorised representatives).

17.9

Governing law. The Contract and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the law of England and Wales.

17.10

Jurisdiction. Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with the Contract or its subject matter or formation.
